COLLEGE

17 June 2011

SPORTS TALK

Sports

Papamoa College has many opportunities for students to be involved in sport. Unfortunately we were unable to enter teams into some sporting codes and competitions due to low student numbers or strict union rules.

Jump Rope Workshop

On Wednesday 18 May, 5 Papamoa College students had the opportunity to participate in a Heart Foundation Jump Rope Workshop with world champion jump rope expert Peter Nestler. Students Nadine Williams, Chole Ryan, Shaqiel Simonsen, Reece Bramley and Courtney Foreman (as pictured below) worked extremely hard to learn new skills and continue to develop their skipping ability. They have now returned to school with a desire to start a competitive jump rope team and will be sharing their new skills with the school at assembly in a few weeks time.

Jump Rope Team

School Cross Country

Papamoa College is holding it's cross-country on Tuesday 21 June at 1.30pm. Students need to bring their PE uniform, a drink bottle and an appropriate change of shoes to run in. We would like to welcome all parents to attend and support their children on the day. Postponement date is Thursday 23 June.

Coaches, Managers and Teachers

We would like to extend our thanks to all Whanau and teachers involved in making sport happen for the students. Without your continued commitment and support we wouldn't be able to have so many teams representing Papamoa College. It is important that students attend all practices and games. If they are not able to attend then please ensure you inform their coach/ manager as soon as possible.

Rugby

There were several meetings held with the Bay of Plenty Rugby Union, to try and form a school rugby team. We had a coach, began trainings and purchased equipment. Unfortunately we only had eleven boys who were eligible to play under the Bay of Plenty Rugby Union rules. The rules state that boys born in 1997 would be eligible to play for a school team. Students born in 1998 or earlier have to play for a club. Papamoa College is looking forward to having a rugby team in the 2012 competition.

Inspired Learning. Exciting Futures.

Information

Year 8A Netball Team
wearing the new uniform

Sports Uniforms

The winter sports uniforms have now arrived and are being issued. To ensure the uniforms are cared for correctly, please wash them inside out to keep the colour vibrant. Do not put them into a dryer as it wears the fabric. We ask that all equipment and uniforms are looked after and returned in excellent condition.

Papamoa College has been represented in the following sporting codes

Water Polo	2 teams
Hockey	2 teams
Netball	6 teams
Indoor Football	3 teams
Basketball	2 teams
Surfing	1 team
BOP Athletics	1 team
BOP Swimming	1 team

Fairplay and sideline conduct

Bay of Plenty Sport, Club Sport and local schools are all supporting fairplay from our community when on the sidelines. Anyone attending a school sporting event is expected to conduct themselves in a positive and supportive manner. It is important to be a good role model for the students and assist coaches where possible. We all represent Papamoa College when in public.

Teachers in Charge of the various sporting codes at Papamoa College.

Indoor Football Tournament

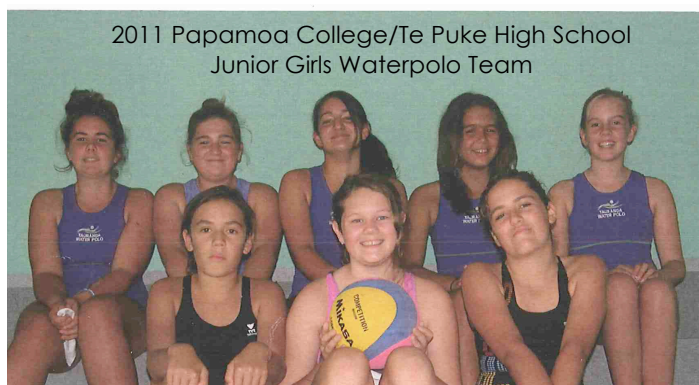

Papamoa College had 4 football teams represented at the Bay of Plenty Indoor Football competition on 7 June. Congratulations to all teams for the following results: Y9 Boys - 2nd place, Year 7 Boys - 2nd place, Year 7 Girls - 3rd place, and Year 8 Boys - 3rd place.

Year 7 Boys Indoor Football Team

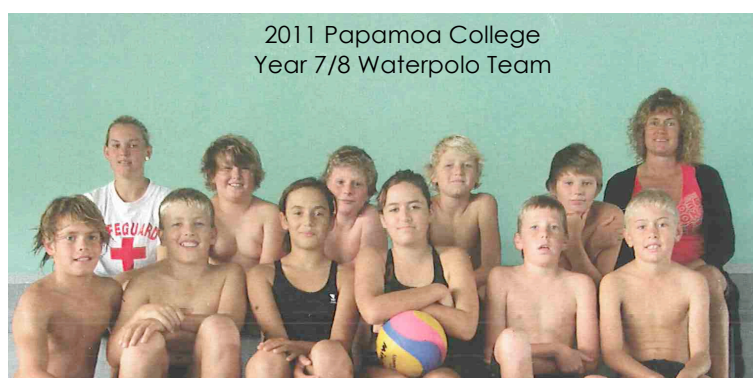

Water Polo

The Mixed Intermediate team (Years 7&8) played a great season throughout term one, to be placed second in the B Grade. The team showed strong swimming ability & great teamwork to reach this placing. The team is looking forward to their next challenge at the Aims games in September.
