This is the biggest AIMS Team Papamoa College has had since we started participating in the AIMS GAMES. We are very excited to see the hum of activity starting around the school in the build up to the 2016 AIMS GAMES.

Registrations for sports have now closed and further information regarding your child's sporting code will be sent home to parents in the coming weeks. All fees must be paid to Papamoa College by the due date, or your child may be withdrawn from the competition.

Please ensure your email contact is updated, as you will be receiving some information electronically.

Students may participate in a maximum of ONE individual code and ONE team sport. There are no timetable allowances for students who participate in more than one sport. In cases where days of competition clash (eg- GymSport and Netball) the student will be required to pick just one. If your child is selected for several codes and is unsure about what code to compete in, please contact Mrs Caitlin Tarr, Sport Director.

## New Zealand Secondary School Volleyball Championships

Report submitted by David Hill – Coach

Papamoa College Volleyball exceeded all expectations! Proudly wearing their bronze medals for 3rd place in our division at the New Zealand Secondary Schools Championship, the Papamoa College Volleyball Senior A team did us all proud.

Finishing with a 5 win and 4 loss, record against some of the traditional powerhouses of NZ Volleyball. The lessons learned and experiences gained will hold Papamoa College Volleyball in great stead for the 2017 tournament.

Papamoa College Senior A Volleyball Team with David Hill (Coach) and Patricia Campbell (Manager)

The team grew with each game and the improvement in skills and big match temperament was a noticeable high for us all. Bouncing back from a couple of very narrow mid-week losses. Our Papamoa College team was able to deliver on early promise and raise our national ranking by 6 spots. Competing in a national tournament dominated by Year 13 students, our team of Year 11 and 12 athletes performed well above themselves. With lessons on board, we are all looking forward to 2017 and maintaining the skills over the winter season. Go Papamoa College Volleyball!

Papamoa College 1st XI Football Team had the opportunity to face off against the with the local Police Football Team on Friday 3 June at lunchtime on the school field. It was a great game with the final score being 2 – 1 to Papamoa College. Awesome job boys
