|                    | <b>MVP</b>         | <b>Endeavour</b>   |
| U15                | Sheydon Carver     | Alex Macky         |
| 1 <sup>st</sup> XV | Levi Charlton-Lomu | Caleum Rogers-Hall |

Thank you to everyone who has been involved with sport at Papamoa College this year and contributing to the success that it has been.

Without members of the community assisting with Coaching and Managing, it wouldn't be possible to have so many teams across all sporting codes.

Have a restful and enjoyable holiday break. Keep up the great achievements and remember to email any news through to [ctarr@papamoacollege.school.nz](mailto:ctarr@papamoacollege.school.nz).

I look forward to celebrating our Sporting Success with you again in 2018- **Caitlin Tarr, Sport Director**

## Representative Students 2017

## Western Bay of Plenty Inter-school Y78 Tennis Championships

On Thursday 26th October, 10 Y78 students competed in the WBOP Interschool Tennis Competition. In the Open Championships, Carrigan Hartley came runner up providing him with direct entry to the Waikato Bay of Plenty Championships. Both doubles pairings of Coby Douglas, Austin Gatward, Kerry O'Reilly and Caden Boyd-Zame made it through to the quarter finals of the Open Boys Doubles. There was a very competitive field for the Year 7/8 Social Tournament which Cayden Boyd-Zame took out and Kerry O'Reilly beating Harrison Griffin in Consolation Final. Cayden Boyd-Zame then teamed up with Denzel Gurung to go down narrowly in the boys double Consolation Final. Over on the girl's side of the draw Amelia Thorne had to withdraw due to injury in the Girls Open Championship and Talitha McEwan and Shara Murray were faced with some tough competition for the Girls Doubles tournament. Overall it was a very successful day for Papamoa College fielding our strongest team ever. Thank you to Team Manager Rob Gatward.

## U13 Indoor Cricket Representatives

Billy Syme and Morgan Wellsford, as part of the Northern Districts Team, attended the National Indoor Cricket Tournament in Wellington during the term 3 holidays. There were matches against Canterbury, two Auckland teams, Central Districts and a Wellington team. During the tournament, both boys were selected as part of a squad of 15 to trial to represent New Zealand at the World Champs in October 2018. The team attends four training camps plus the next National competition in July prior to the World Champs. Both the boys have secured their place in the Northern Districts team for that tournament. The final Team selection for the World Cup will be announced after the Nationals next year. Congratulations to both boys and their families on their achievements so far.

## NZ Tumbling and Trampolining

Sam Eastergaard and Medea Jones attended the NZ Tumbling and Trampolining Championships in Christchurch from the 11 – 14 October. Sam received a gold in Mens Tumbling 11-12 year olds, and Medea silver in Womens Tumbling Sub Junior. Well done for your hard work!

# Well Done!

## North Island Tennis Championships

All the best to Carrigan Hartley (Year 8 student) who has qualified to represent Papamoa College at the North Island Tennis Champs after finishing 3<sup>rd</sup> in the Waikato BOP event. Good Luck Carrigan!

## Staff vs 1<sup>st</sup> XI Football Match

On Thursday 19 October we had a brilliant display of athleticism as the 1<sup>st</sup> XI Football Boys took on the staff for a lunchtime game. Most of the school came to spectate on the sidelines and cheer on the teams. It was a great match under the sun with many attempts at goal, however by full time the score remained 0 – 0. The team has had a great season this year and the staff are looking forward to another rematch in 2018.

## Hockey Awards

Special congratulations to Zoe McCaul (Year 12) and Papamoa College parent, Phil Gillanders, who have been recognized by the Tauranga Hockey Association at their annual awards evening. Zoe was named Junior Female Umpire of the Year and Phil was awarded for service to umpiring.

## Notices

### 2018 Sports Coaches and Managers

Are you passionate about helping kids develop their sporting abilities and build great relationships through Coaching or Managing a Sports Team?

If this sounds like you, register your interest for 2018 with the Sports Director - Caitlin Tarr [ctarr@papamoacollege.school.nz](mailto:ctarr@papamoacollege.school.nz).

### Outstanding Sports Fees

Please ensure all outstanding sports fees are paid by the end of the year. Any child with outstanding sports fees will not be eligible to play sports for Papamoa College in 2018 until this is resolved. Thanks for your cooperation.

### Sports Uniforms

If you have any Papamoa College Sports Uniforms at home, please return these to Papamoa College Reception at your earliest convenience.

## Changes in Sport for 2018

Please be aware that there will be several minor changes to Sport at Papamoa College in 2018. Some of these are listed below and will be given in more detail at the start of next year.

At Papamoa College, sporting codes and one-off events operate on a user pays basis. Individuals are charged a fee that may cover some or all of the following as applicable; team subscription fee, facility hire, equipment, umpires/referees etc.

It is important that fees are paid by each student by the given date, as this money is used to pay for the various expenses of each sport in advance. Each year we are faced with fees that are left unpaid and the shortfall must be covered by Papamoa College. This in turn takes funds away from other areas of the school.

At the beginning of the year, every effort will be made to release a list of sports that will be offered during the course of the year and the associated fee of the sport. The purpose of this is to allow students and parents to plan what sports they may wish to participate in and organise method of payment for the activities.

All students will be required to have paid sports fees in full prior to the start of the season. If this is not done and there has been no consultation with the Sports Director, students will not be placed into teams.
