# SPORTS TALK

## Welcome to 2018!

Kia Ora, welcome to a huge year in Sport at Papamoa College.

Summer Sports will be getting underway in the coming weeks. Keep an eye out for information regarding Cricket, Water Polo and Volleyball coming through the daily notices. We also have the start of our Annual Papamoa College Sporting Events. Upper Middle School and Senior School Athletics is occurring on Tuesday 20 February and the Swimming Championships is going to be held on Tuesday 13 March at the Baywave Aquatic Centre.

Papamoa College will be continuing with our online sports registration process, instead of the traditional paper newsletter and consent form that have been sent home in the past.

For Term 1, the Online Sports Registration will be open for Water Polo, Volleyball, Athletics and Swimming Sports. Sports Registration Forms can be accessed through the Papamoa College Sports Wave Page: [wave.papamoacollege.school.nz](http://wave.papamoacollege.school.nz). Along the top menu you will see "More" and after selecting this, there is a drop down menu that allows you to select "Sports". This is where you will find the Online Registration Forms.

Please ensure your email contact is up to date with Papamoa College as this is how you will be receiving most of your information for events. You will also receive confirmation of your child's entry via email. If you have any questions about this process, please contact me via email [ctarr@papamoacollege.school.nz](mailto:ctarr@papamoacollege.school.nz).

Have a great year and we look forward to seeing you all out on the field, turfs and in the arena's succeeding in Sport this year.

Mrs Caitlin Tarr  
Sports Director

## Winter Sports Season Information Continued

You will see listed in this newsletter a list of Sports and the corresponding Sports Fees for 2018. The purpose of giving you this information now is to allow students and parents to plan what sports they may wish to participate in, and organise method of payment for these activities.

I encourage families who feel they may struggle to pay the fee in full, to set up an Automatic Payment this term so Sports Fees can be paid prior to the season starting. As with previous years, in cases of genuine financial hardship, parents are asked to discuss the situation in confidence with the Sports Director.

We have booked trial dates across most of our codes for 2018. While we do not anticipate any changes to these dates, if due to unforeseen circumstances any of these dates change, we will provide you with as much notice as possible. ## Changes to Sports Fees at Papamoa College

You may recall at the end of 2017 it was announced that there will be several minor changes to Sport at Papamoa College in 2018.

At Papamoa College, sporting codes and one-off events operate on a user pays basis. Individuals are charged a fee that may cover some or all of the following as applicable; team subscription fee, facility hire, equipment, umpires/referees etc.

It is important that fees are paid by each student by the given date, as this money is used to pay for the various expenses of each sport in advance. Each year we are faced with fees that are left unpaid and the shortfall must be covered by Papamoa College. This in turn takes funds away from other areas of the school.

At the beginning of the year, every effort will be made to release a list of sports that will be offered during the course of the year and the associated fee of the sport. The purpose of this is to allow students and parents to plan what sports they may wish to participate in and organise a method of payment for the activities.

All students will be required to have paid sports fees in full prior to the start of the season. If this is not done and there has been no consultation with the Sports Director, students will not be placed into teams.

It is important to also be aware that students who have outstanding Sports Fees from 2017 will not be eligible to compete in Sport for Papamoa College until an arrangement has been made to cover outstanding fees in full. If you have any queries about these changes, please contact me via email [ctarr@papamoacollege.school.nz](mailto:ctarr@papamoacollege.school.nz).
